

## **COVID-19 NOTIFICATION**

**February 10, 2021**

**Number of additional confirmed COVID-19 cases in the last 24 hours: 1**

Please continue to check our website for additional updates and information on what we are doing to help prevent further spread of COVID-19 in our facility.

If you have any questions or concerns about this notification, please contact us directly at 843-537-2060.

## **WEEKLY UPDATE**

**February 12, 2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 71 residents and 57 staff members test positive for COVID-19. We continue to test our staff twice weekly and our residents every 3-5 days at this time.

Visitation will continue with visits at the window of the resident's room or at the glass door in the Dining Room. Indoor visitation is only allowed for compassionate care residents. Please call our Activity Department if you want to schedule visitation.

We had our second COVID Vaccine clinic on 2/10/21; 55 residents and 18 staff members got their second dose. Additionally, 15 residents and 18 staff members received the first dose of the vaccine.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 843-537-2060.

Sincerely,

Grace Villafranca  
Administrator

## **WEEKLY UPDATE**

**February 19, 2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 71 residents and 58 staff members test positive for COVID-19. Our county positivity rate remains high at 11.1% for this week so we continue to test our staff twice weekly and our residents every 3-5 days.

Indoor visitation only for compassionate care residents are permitted by appointment with the Activity staff. As usual window and door visits area allowed and face time and phone calls are highly encouraged.

All residents who received COVID vaccines on 2/10/21 did well with no side effects noted.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 843-537-2060.

Sincerely,

## **COVID-19 NOTIFICATION**

**February 2, 2021**

**Number of additional confirmed COVID-19 cases in the last 24 hours: 2**

Please continue to check our website for additional updates and information on what we are doing to help prevent further spread of COVID-19 in our facility.

If you have any questions or concerns about this notification, please contact us directly at 843-537-2060.

## **WEEKLY UPDATE**

**February 26, 2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 71 residents and 58 staff members test positive for COVID-19. It has been more than 14 days since our last positive case.

Indoor visitation only for compassionate care residents are permitted. Please call the facility to talk to our Activity staff, Jessica Rollins or Rementa Martin, to determine if the criteria are met for a compassionate care visit. Otherwise, the weather is getting warmer and you might be able to have an outdoor visit in our porch or in the covered porch in front. As usual, window and door visits are allowed and face time and phone calls are highly encouraged.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 843-537-2060.

Sincerely,

**REHAB CENTER OF CHERAW**

**WEEKLY UPDATE**

**February 5, 2021**

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility and notification that we received confirmation February 5 that one staff member and one resident tested positive for COVID-19. Since the onset of this virus, we have had 70 residents and 57 staff members test positive for COVID-19.

Per DHEC regulation, we are testing all staff members twice per week and this will continue until Chesterfield County is below 10% positivity rate. This week our county is at 15.8% positivity rate. Our residents are tested weekly and as needed if they are manifesting any signs and symptoms of COVID-19.

Our second COVID-19 vaccine clinic will be on February 10, 2021. We are highly encouraging all residents and staff take the vaccination. If you have not received the vaccine on the first clinic; you can still receive the first dose this time and they will return for the third time to give the second dose.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 843-537-2060.
