

WEEKLY UPDATE

3/12/21

Dear Residents and Families/Representatives,

It is hard to believe that it has been one year since COVID-19 changed all of our lives so drastically. From being forced to restrict visitors and change the way our residents communicate with their loved ones to making changes in our infection prevention and control practices, everything we have done and continue to do is an effort to keep our staff and residents safe. We want to thank our staff for their unwavering dedication to our residents and we want to thank our families for their continued support and patience as we continue to navigate this pandemic.

As always, our goal is to be transparent and provide you with weekly updates on the status of COVID-19 in our facility, including the current number of positive cases in our facility, how many confirmed cases of COVID-19 we have had since the beginning of this pandemic and our visitation status.

Number of Confirmed COVID-19 Cases Currently in the Facility

VISITATION STATUS

Rehab Center of Cheraw will allow visitation unless we must restrict visitation due to facility COVID-19 status, resident being on isolation or quarantine for COVID-19, the county positivity rate and/or lack of adherence to infection control methods. This week, Chesterfield County positivity rate is 10.2%. We continue to allow virtual visits, window visit, door visits and face time and phone calls are highly encouraged. Please call the facility and speak with our Activity staff or the Administrator for further information and clarification regarding visitation.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 843-537-2060

Sincerely,

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update on the status of COVID-19 in our facility.

Number of Confirmed COVID-19 Cases Currently in the Facility

Staff: 0

Residents:0

Total Number of Confirmed COVID-19 Cases Since the Onset of the Pandemic:

Staff: 59

Residents: 71

Total Number: 130

Date of Last Newly Confirmed COVID-19 Case:

Our last COVID positive resident was on 2/9/21.

We have a new confirmed report of a positive result on one staff member on 3/17/21.

Visitation Status:

Our facility will now facilitate in-person visitation consistent with CMS and our state regulation and will make sure that the core principles of COVID-19 infection preventions are strictly adhered to during visitation. All visitation will need to be scheduled with our Activity Department. This will give opportunity for each family to visit your loved ones. Please do not come to visit without getting a schedule time with our activity staff. Visitation is allowed for 30 minutes and 2 family members can be allowed during the visit. We can accommodate 4 residents in one setting in our assigned visitation area. The visitation times are as follows:

10:30AM-11AM

2:00PM-2:30PM

3:00PM-3:30PM

Days of the week: Tuesday, Thursday, Friday, Saturday and Sunday. When you schedule a visit with our Activity staff; they will walk you thru the process and the education prior to the visit. We are as excited as you all for this opportunity. Please be patient as we continue to make sure that we are conducting our visitation in a manner that we protect your love ones, yourself and our staff.

Facility Safety Precautions:

We continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC. Staff is frequently reminded and encouraged to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community. We ask them not to report to work if they have symptoms of illness.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

WEEKLY UPDATE

March 5, 2021

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. Since the onset of this virus, we have had 71 residents and 58 staff members test positive for COVID-19. It has been about 22 days since our last positive case.

Our third COVID vaccination clinic will be on the 11th of March, 2021. We are still continuing to encourage all of our residents and staff to get the vaccine. Our pharmacy provider Walgreens are still able to give the first dose of the two doses on this day. We are reaching out to our families again to check if you have decided to have your love ones get the vaccine. We are doing the same for our staff as well.

Indoor visitation only for compassionate care residents are permitted. Please call our Activity Department to determine if the criteria are met for a compassionate care visit. As usual, outdoor visit in our porch or in the covered porch in the front is allowed. Don't hesitate to call and get a schedule from the Activity Department. Window and door visits are allowed same as face time and phone calls as well.

As always, we are working hard to keep everyone in our community safe and we will continue to practice the enhanced safety precautions that are known to prevent the spread of COVID-19, such as only essential personnel are allowed inside the facility and we screen them for signs and symptoms of illness prior to entering. Our residents are continually monitored and staff is using PPE as recommended by the CDC.
