

WEEKLY UPDATE

August 21, 2020

Dear Residents and Families/Representatives,

Please accept this letter as our weekly update regarding the status of COVID-19 in our facility. We are happy to report that, as of today, we have no confirmed cases of COVID-19 in our facility. As reported last week we have 10 positive residents and 10 positive staff. All have recovered and doing well. We will continue with our weekly mass testing until further directives are given.

The facility is still under visitation restrictions. We will keep you updated as to when the restrictions will be lifted. We appreciate your patience and continued support during these unrepresented times.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 240-448-2000.

Sincerely,

Calanthia Green
